Sexy Italian Wines That I Love

Cars, women, beaches. Italy is downright sexy. Whether you are 26 or 62, the sensuality of living the Italian life is invigorating. And the wines of Italy are part of that lifestyle.

Binomio Montepulciano d'Abruzzo, is a joint effort between the La Valentina and Inama wineries. This is one of those wines that I would never expect to like. It's big and high alcohol (15%) and ripe and slurpy- juicy. But, wow, what a wine! I tripped over my tongue after I tasted this wine this week. It's full-throttle, no denying, but it's like a ride to the moon. Have you ever been in a situation when you were with someone, flirting and acting a little naughty? And then all of a sudden the night goes into fast-track and you wake up in a hotel room with a new gorgeous naked lover? Binomio is kinda like that. Wow. Just, wow. Binomio Montepulciano d'Abruzzo 2008 - suggested retail \$40-50.
