From 2021 Rosé – New Releases (Jun 2021)

The 2020 Cerasuolo d'Abruzzo charms with a delicate display of wild strawberries, nuanced florals and hints of stone dust. It's a vibrant and juicy effort that fleshes out across the palate with mineral-tinged fruits and savory spice. A buzz of residual acids lingers, forcing the mouth to water, as this tapers off to hard red candies and inner rose tones. The 2020 La Valentina is a spirited Cerasuolo for poolside sipping.
