

Tasting Date: Tuesday, September 14, 2021

**La Valentina Cerasuolo
d'Abruzzo Superiore Spelt 2020
Organic**

*The very dark pink color announces a light red, but this is in fact a full-blown rosé with lots of lightly candied cherry and raspberry character, together with a full body, lightly firm tannins and plenty of juicy flavor, driving long and hard into a persistent, fruity finish. Call it what you like, it's outstanding. From organically grown grapes.
Drink now.*

**La Valentina Pecorino Igt Colline
Pescaresi 2020 Organic**

*As always here, there's a friendly balance of fruity (apple and citrus) and savory (dry mineral and lightly salted almond) elements, which drift down the road together on the medium palate in perfect harmony, supported by exact acidity and the lightest-of-light phenolic framework. Nothing aggressive, just well structured and delicious.
From organically grown grapes. Enjoy now.*
