...Cerasuolo d'Abruzzo is a mixed bag... There is a fair number compromised wines, but also a few overachievers, namely ... La Valentina's Cerasuolo d'Abruzzo Spelt...

2023 Cerasuolo d'Abruzzo Spelt Organic

92 pt

Deep purplish-red in the glass, the 2023 Cerasuolo d'Abruzzo Spelt is a super-refined Rosè ... notable complexity... beautifully balance ...this is a serious Cerasuolo.

2023 Cerasuolo d'Abruzzo La Valentina Organic

89 pt

The 2023 Cerasuolo d'Abruzzo presents a translucent cherry-red hue in the glass...savory and floral on the nose, it unfolds with rose petals, leather, tea leaves, strawberry and cherry aromas. ...a particularly vinous style of Rosé that would certainly be at home on the dinner table.
